4 days of incredible golf

at Puerto Rico's finest resorts! Transportation included to each course!

The East Course at **Dorado Beach** is one of the oldest and most well known in Puerto Rico. This course is the site to many Senior Tour events and the 1994 World Cup. The highlight to the East Course is hole # 4, the double dogleg par 5, which has been mentioned by Jack Nicklaus as one of his favorites holes.

The golf course at **Bahia Beach** is a spectacular layout winding through a former coconut plantation, with great views of the Ocean and El Yunque rainforest. With native iguanas scurrying along a network of ocean fed saltwater lagoons. Water plays a major factor on 15 of the 18 holes.

The **Trump International Golf Club** boasts Puerto Rico's first course designed by PGA Professional Tom Kite. Comprised of two 18-hole championship courses. Each course winds through lush tree groves and over waterways and lakes, delivering an unparalleled golfing experience to players of all levels. Home to the PGA tour event PR OPEN.

Test your game at the Arthur Hills Golf Course at **El Conquistador Resort & Golden Door Spa**. Our 72-par course is ideal - challenging & player-friendly. Stroll the daunting hills & bunkers tamed by cleverly planned lateral movements & broad openings. View the elevation changes of more than 200 feet - rare among typically flat Caribbean golf resorts.
